Brothers and Sisters Greeting in the name of the Lord Jesus Christ,

This year the National Day of Prayer commemoration will take place on May 3, 2018 on the west lawn of the U.S. Capitol. The National Day of Prayer is an annual day of observance held on the first Thursday of May, designated by the United States Congress since 1988. The Capital Region National Day of Prayer has been faithfully celebrated on the grounds of the U.S. Capitol for the last 34 years.

It is not easy to be able to procure such a location to host a National Day of Prayer, but with the favor of God and the financial blessings of others, regardless of the circumstances, we have been able to gather with other believers on the grounds of the U.S. Capitol.

Over the last 34 years by the grace of the Lord Jesus we have been able to meet the financial requirement to hold this gathering but as years have gone by, the cost has increased. We would like for you to consider prayerfully contributing financial seed, so that once again we get together with you and other believers in urgent prayer for this nation.

The daily news and the increase in violence are indicators showing that this nation needs the prayers of every believer. This is the time to come together on that place which represents the government of this nation. We count on you!
