## *Letter of Invitation*

Dear Friends,

As co-laborers, it is my prayer that we arise as **ONE - THE FAMILY OF GOD** - and come together lifting up the name of Jesus over our nation and our world. **It is time to pray!**

On **Thursday, May 3rd**, we will gather on the West Lawn of the U. S. Capitol Building in Washington, D.C. calling out to God to hear us, forgive us, and heal us.

The National Day of Prayer was established in 1952, enacted in 1988 by congressional legislation to convene the first Thursday of May, annually. For 67 years, our nation has recognized this special day!

The service will convene on the West Lawn of the Capitol Building and together we will:

- Gather as a multi-national assembly releasing worshipful prayers for our nation and world
- Welcome the Body of Christ in all capacities of spiritual service
- Participate in offering prayers
- Participate in worship led by the Mass Choir

**We will stand strong in the power of oneness and unity of faith, hope and vision.**

We anticipate a great move of God in our nation as we come together.

*Prayer moves the hand which moves the world*
