

The Focus of the February 13th Prayer Conference Call

Pastor Jeff Rogers

Isaiah 61, John 17

Following the pattern Son of God we can say that:

- The Spirit of the Lord is upon us and anointed us to affect our region. First spiritually then physically.
- We can prophetically proclaim an impact on the cities and have the last say politically.
- The answers are in the anointing and the John 17 prayer of unity can be accomplished via the anointing.
- When the world sees we have agreement in spiritual priority and openly show the power of the Spirit, it will believe the Lord actually came.

Bishop A. M. Hughes

- Release the power of God's anointing seeing signs and wonders following
- Breaking principalities and healing us and bringing unity
- Take the limits off of God and be used to His Glory (Psalms 78:41)

Bishop Bobby Holmes

Nehemiah 1

That the people of God:

- **Pray** as gatekeepers who know God's heart and mind
- Yield to the **preparation** of God
- **Persistence** to stand firm; the pursuit of God; overcoming setbacks
- Have **purity** of heart and clean hands before God
- Be **position** on the wall and give high regard to your placement and do not come down
