

The Focus of the April 3rd Prayer Conference Call

Pastor Rudy DePass -- II Chronicles 1:10 – 12

- Wisdom, Protection, and knowledge for the President to spearhead the world economies out of recession
- Grant the President Solomon's request for wisdom and knowledge to lead this people
- The full armor of God to stand against the wiles of the Devil -- Ephesians 6:10
- That the Church will continuously strike the ground crying out to God on his behalf
- A multiplication of the fruit of the President's efforts

Pastor Jeffrey Rogers - Mark 4:30-32

- Government is big and important...to us, but it is small compared to the Kingdom of God which is our inheritance.
- See the power of a unified body of families in the Kingdom to bring heaven in the affairs of men.
- We need not sell out to have a voice among the political strongmen or kingdoms or power structures of our society if they one day will be uprooted by a greater kingdom.
- Proclaim vision to see beyond the limitations of the achievements of men and embrace our callings from God...because this is the true emerging church (called out to rule and make decisions) if we can believe it and see it.
