

The Focus of the June 5th Prayer Conference Call

Pastor Rudy DePass

- From Isaiah 58:9-12 A call for Pastors to be Repairers of the Breach
- Because we have deviated from our biblical foundations, we should cry out in prayer and fasting for God's authority and direction
- Like Isaiah, a call to the nation to repent and return to the Lord and cease ignoring adhering to the standard of righteousness & justice of God
- Thank God that there's hope thru repentance and a seeking of God for a spiritual renewal -- new wineskins, revival, great awakening
- Pray for an awareness that we are in warfare and we must become serious about reclaiming the lost sheep
- Claimed II Timothy 1:7 -- That we would replace that spirit of timidity with one of power, love, and self-discipline
- That Pastors will be builder of waste places, repairers of the Breach, and Restorers of paths to dwell in

Dr. Corinthia Boone changed the prayer focus to the same-sex marriage pending meeting focusing on:

- Evangelizing the people to understand the foundation upon which our nation was founded; and the need to engage the culture in love
- Love being the way we should approach our opponents
- Not to let others define for us what love is
- That we were put her to replenish the earth -- which can be done only via one man and one woman in union

Pastor Emmanuel Mutangana:

- Focused on God's wisdom and a submission of our spirit to His
- A need to gather and pray for God's wisdom & direction

Bishop Bobby Holmes

- Against the anger of Pastors like that expressed at the end of the last Council meeting
- We need to put our flesh under control and operate in a spirit of love

Pastor Angeloyd Fenrick

- From II Corinthians 4:7 -- We need to be quick to listen and slow to speak
- A need to fast & pray to hear from God
- A need for a spirit of love toward others
