

The Focus of the October 23rd Prayer Conference Call

Prayer Focus leaders for this Friday were Pastor Jeff Rogers, Bishop Wayne Green, Pastor Sam Fatoki, Bishop Joseph Hughes, Apostle John Drew and Pastor Kwasi Gyimah.

Key theme based in 2 Kings 6:8-23

There are more with us than with them so there is no need to panic even though there is a sense of urgency. The darker it is the brighter we shine. The political system is powerful but is not the final answer when the body exercises its spiritual authority. The Mighty God is not looking to confirm a weak testimony. We are to wake up to this season! The Leaders with understanding would lead the battle.
