

Together In Ministry International

Pastor's Prayer via Conference Call

6:30 AM - 7:30 AM every Friday morning

Contact Dr. Boone for Conference Call telephone number and access code information.

Communication Strategy

- Relational connectivity
- Interactive prayer focus
- RSVP by going to the website www.ichcndp.org. Click on the Pastors Conference Call button. When you RSVP, this week's dial-in number and access code will be provided.

Receive

- Guidelines (updates and directions)
- Prayer focuses
- Names of pastors opening the prayer line with 2-3 minutes prayer focus

Who

- Open for participation by all Christian Pastors you invite from your sphere of influence

What

Corporate Prayer

- to focus on what the prayer leader is praying
- to press in on that focus as a group until the prayer is complete
- different Pastors continuing to pray on that "one" focus
- one of the pastor facilitators will introduce the next focus (see the website for each Friday facilitator)
- additional names will be added
- persons leading the prayer focuses will be taken from that list.

How

- As time permits (*after sufficient prayer has been offered on focus given by scheduled pastors*) other pastors may be asked to introduce a 2-3 minute prayer focus. In your RSVP, please indicate your interest in participating in this manner.

Request

- Submit the prayer focus on your heart through our website, so that it may be included at the next prayer call. We welcome and look forward to additional prayer focuses. We suggest that you have a scriptural foundation for the prayer focus.

Expectation

- Psalms 133
- Gatekeepers realigning in 2009 - Positioning themselves at the Gates
- Release of the harvest

NOTE: Pastors who do not have free long distance calling service may purchase a DVM Voice Pre-Paid Phone Card These calling cards cost \$2.00 for 2 hours and are widely available at gas stations and convenience store. I keep several on hand for all my conference calls.
