Prayers of thanksgivings

- Lord, Regardless of what the government/courts decide about the NDP, I pray that this day will continue to be commemorated into perpetuity; and what you did yesterday, your presence – will be why it will continue
- Thank you for the prayers that went on around the metro area and the nation on behalf of the NDP. Thanks for those who availed themselves to attend the commemoration on the Capital Lawn
- I thank you for the Bible Read-a-thorn, the people who sacrificed to come down through the night, thanks for that level of faith
- I pray that the youth will receive this generational transfer of your impartation and that they'll catch that walk of faith necessary for your revelation to manifest; I pray that the youth will catch the need to be focused, so that your presence can prevail
- We are thankful for Dr. Boone's call to be focused on you; thanks for your presence & how you worked through your people

Bishop Bobby Holmes

Theme: Thanksgiving & Praise

- Lord, we look forward as to how you'll work things out concerning the Judges and those who will be coming against the NDP; we believe you are God enough to work out every obstacle that confronts us, just as Elijah came up against the 800 prophets of Baal -- you are God
- We thank you for the persistence, prayers, purity, in the name of Jesus Christ; for you showed yourself strong
- We praise you for your blessings & how you rained down your presence; for the 9-year old boy who showed forth your power in a strong manner
- We praise you Lord for the youth who attended
- Though we may be tired in our bodies, we are thankful in our hearts, with praise & thanksgiving on our lips
- Thankful that the budget is met
- You are faithful; thank you for moving; the prayers that went forth over that capital -- your word will not return void; we expected yokes to be broken, chains to be loosed in the name of Jesus;
- You have put the same spirit in our families & knitted us together

Dr. Hernando Caicedo

- We give thanks to your name; yesterday was awesome -- mighty, glorious, & we give thanks for everything that you did
- Help us to walk in the faith you have granted us and in the power you demonstrated through that little kid who opened our eyes
- I thank you for giving me the privilege to be alive and to witness the manifestation of your power -- through the word of faith you speak great things Lord and we thank you

Rudy De Pass, Prayers for Dr. Boone

- Lord, you said that the heart of the King is in your hand so we thank you for Dr. Boone's faithfulness, strength – physical, emotional, and spiritual -- to pursue the vision that you laid before her
- Thank you for her focus on lifting you up; for her faithfulness in making a way w/o resources
- Thanks for what her persistence, in spite of obstacles, to go on to see what the end will be

Bishop Bobby Holmes, Prayers for Dr. Boone

- For her boldness; willingness to serve; for her strength
- No lack of passion as mentioned by Terry MacAlmon
- Strength to speak; not to put nothing before praising you first; void of flesh; for the people to be first; she wants you presence to be shown

Dr. Corinthia Boone

- Those who sow in tears, will reap with songs of joy
- Thanks for the humility; and for the joy that comes when we thank you for the ability to sow in tears & to experience the joy that comes when we are faithful
- And to hear your voice; how we cherish in hearing your voice; and then to have those confirm your voice & walk in the light of what you are saying with such joy & unity. We thank you for that.
- I thank you that as Bishop Jackson said, something broke in the spirit when we pastors laid hands on the youth and prayed
- I pray that we get into our spirit what has been released on this conference call today, the heart of God then we'll really embrace the power of God
