

Joy Night 2014: Conversation Roundup

- The shift is on in America!!! Need a corporate prophetic voice. Spirit led arising relevant to the times (1 Chron 12:32). CRNDP has a platform to raise the standard spiritually.
- Hopefully CRNDP will prayerfully strengthen its outreach in line with (Phil 2:2) inviting others of like minds to make a “massive Army” of (2chron 7:14) prayers on CRNDP.
- A pictorial manifestation on CRNDP 2015 – Believers arising – “His” glory seen upon the family of God (Rev 5:9) – out of many cultures, nations – “Jesus lifted up” as world marvels – how can this be – they like each other...
- CRNDP a model of the power of the gospel – brings peace, love, joy in the midst of a world where Isaiah 60:2 is a reality. “Darkness covers the earth and gross darkness is over the people.”
- CRNDP uniqueness coveting the presence of God – Corporate assembly worship – seeking alignment with singers, musicians – consecrated lives – anointed to go into the Holy of Holies – Opening the way for the assembly – tapping into “The sound from Heaven,” Different from the sound of the world.
- CRNDP Hallmark (II Chron 7:14) will remain constant. The spirit of Jehoshaphat (II Chron 20) – from all surrounding areas gathering together – seeking the Lord – repenting – a corporate public altar (Rom 1:16) “Not ashamed of the gospel of Christ” – His presence released at CRNDP flowing to the nations.
- CRNDP never a show of pride or political agenda – competition.” Always in “spirit & truth” – no spectating – all participants – small group praying.
- CRNDP platform for International Now Generation Connection (INGC). Participation is the flow of CRNDP. Strengthen its collaboration to INGC to motivate, encourage their participation in the planning and execution of that day.
- Intercession continually for an increase of believers. Public prayer gathering support – large attendance gives encouragement to legislators to protect this freedom of public prayer. It’s under fire!!!
