The Nations Coming Together In Christ, October 22, 2016 Crescendo  
Jericho Prayer Movement (JPM) MLKM

- o A Sampling of some Observations and Reports!!!

From the time we arrived we felt the presence of the Lord. God was definitely with us. Each worship song was uplifting and the song 'Holy Spirit' was especially powerful. We repeated the bridge over and over which says, "let us become more aware of your presence, let us experience the glory of your goodness." This became our theme for the morning...becoming more aware of God's presence while experiencing the glory of His goodness. There were several declarations and decrees that went forth. The young people were commissioned and prayed for. And each JPM prayer site made a powerful declaration for the area in which they are praying monthly. There was an expression of unity and diversity that was noticed by the many that passed by. Many stopped, joining in our expression of unity and diversity and it was evident that our unity and diversity flowed from our genuine love for each other. It was a Spirit filled gathering.

Pastor Josh Robinson

The Nations coming together in Christ Crescendo!

From the opening, there was a great sense of Oneness. The exhortations opened the fellowship and the procession of national flags. Great energy was in the atmosphere as we heard the sound of the shofar.

Gusts of wind was seen, as God breathing on us that cause the fervency of worship to escalate.

Then suddenly the sun got brighter and brighter as it was unveiled from behind the clouds.

The signs in the heavens only encouraged the participants to go high in their experience.

Waves of large numbers of passersby gathered with us to celebrate, witness and worship. The event had great impact on those visiting the memorial. Lots of young people were drawn.

The Jewish celebration line dance was the apex of a prophetic demonstration that really got the attention of those watching while visiting the memorial.

Dr. Andre N. Randall

It was a powerful Holy Spirit filled day. The worship was awesome. The prayers were moving. But most significantly was the spirit of love and unity. Blowing the shofar cleared the atmosphere for an open heaven. As the prayers and worship went up, the clouds cleared and the sun came out. In closing with the Aaronic benediction, the anointing of the Lord was so strong that I could barely move my hands and body. We then danced around the MLKJ monument in a song of Jubilee, Hava Nagila. People were stunned by what they saw, and one Jewish couple was witnessed to. Truly memorable.

Rabbi Eric Teitelman

As people were assembling together there was a spirit of unity in our joining as one. Windy weather and cold did not deter the enthusiasm I witnessed and felt. I noticed on lookers were stopping to see what was happening and I believe that they were touched by what was shared.

Pastor Tony Addinall

1. There was an awareness that this event was the eclectic effort of like-minded men/women... I was impressed with its content, and the diversity of cultures in attendance.
  2. The thought of incorporating a Rabbi, a shofar, and a dance of linked arms resulted in becoming a priceless experience.
  3. The presence of God's Spirit was apparent, and the program literally reflected that of a "worshiper's heart"... of spirit and of truth.
  4. The declarations spoken over the "Now" Generation, were powerful, strategic, and served as derivatives for their future success.
  5. The music was relative to both the program's purpose, as well as the active participation of its attendees.
- It was delightful to have been a part of the 2nd Jericho Prayer Movement Crescendo 2016.

Minister Judith E. Coleman

1. it is so typical of God's *modus operandi* to use the Jericho Movement as a vehicle to amass His peoples of varied cultures to comprise a multi-cultural orchestra of worshippers to demonstrate that He's a God of all peoples (a bound-to-be-heavenly scene);
2. The ambience was one of camaraderie, love, joy, excitement, as if we lived together in the same house;  
The occasion left such an indelible imprint on our hearts and in our minds, that will surely compel one to return next year for more. It was AWESOME!

Dr. Rudolph De Pass

I saw what happens when brethren dwell together in unity.... As the dew of Hermon that descended upon the mountains of Zion; for there the Lord commanded the blessing, even life for evermore. Psalm 133:1-3

God's presence was manifested.  
The winds of the Holy Spirit were blowing.  
God commanded his blessing over His people.

We worshipped in one voice, we were not focused on the weather but focused on what God was doing in our midst, and with His people. What we experienced was not only for the Jews but for the gentiles too.

The Flags representing nations, congregations, races, communities, cities, coming together and decreeing Gods word over the region of Maryland, Virginia, and the District of Christ, (DC), and every nation.

God commissioned the next generation for the work of the ministry.  
I believe that we have not yet comprehended all that happened at the 2<sup>nd</sup> JPM Crescendo, because it has not all been revealed to us, and I praise God for being a part of what God is doing in this DMV Region!

Minister Deborah F. Bloxon

The 2<sup>nd</sup> Annual Jericho Prayer Movement Crescendo 2016 was a magnificent movement of the release of God's presence upon His people representing the nations of the earth. This witness captured the true meaning of "unity, in the midst of diversity" as God by His Spirit made us "One New Man."

We experienced the manifestations of our individual and cooperate prayers for unity and the rise of the Now Generation to take their place in this "Now Season."

The numerous decrees and declarations powerfully released a "new spirit" into the atmosphere, created a shift in the spiritual realm, and in our own hearts.

As the Family of God lifted up Christ above all distinctions, that typically set us apart, people from all walks of life (tourists) at the MLKM, looked with amazement and many joined in the flow of the "Move of God."  
WE LEFT REJOICING IN CHRIST!!

Pastor Derwin Brown

(JPM) is prepared to enter 2017 with Altars burning brightly- Amen!!  
Rejoice!! Pray!! Consider Being A Part!!
