Election 2016 – Midst of Transition!

Part of the Solution or Part of the Problem...

Solution (Reconciliation)

- Empathy: ability to identify, understand another's situation.
- Humility: value others above yourself. (Philippians 2:3)
- Form relationships intentionally, with others who are of a different culture. (Philippians 2:2)
- Create a space everyone equal, accepted, feel needed, "every joint supplieth". (Ephesians 4:16)

Problem

- Pride: a dangerous, infectious, attitude, prevalent when one political party wins over another.
- A feeling of deep pleasure without empathy for the losing political party.
 - we too easily cherish our roles in the Great – Superior –
- Having "Self" decrease- "He must increase, but I must decrease."
- Walking it out with considerable grace and humility as (John 3:30).

Christian Prayer In a Divided World!

I pray for the ability to feel what another person is experiencing from within. The feeling for someone else's sorrow, misfortune, fears: feelings of hopelessness. The threat of my family being torn apart and deported. Every culture experiencing deep uncertainty. Create in me a clean heart and renew a right spirit in me. (Psalm 50:10) Grant me the heart to pray and reach out to those who are hurting, persons engaged in destructive behavior propelled by a sense of powerlessness. Forgive me (us) for our lack of apathy, (lack of interest, concern, indifference). Help us to realize: How goes "One" today, could be "All" of us tomorrow.

Mercy Is Our Cry! Amen!!
