

Pastors Prayer Conference Call (My Take)

November 18, 2016

The Constraining Influence of the Love of Christ

By His holy word he invites, and by the power of his Holy Spirit he draws, and encourages, and enables. (Luke 1:35)

Two Opposites

- The restraining power of the Holy Spirit (Acts 1:8)
- The working of lawlessness

- Holy Spirit of God is the only Person with sufficient (supernatural) power to do the restraining evil. (2 Thessalonians 2: 6)

- Holy Spirit is our present-day guide in the earth. The power of the Holy Spirit intervenes as His Believers Rise & Shine (Isaiah 60:1)

- The Holy Spirit is given the ministry of resisting evil and restraining the world in its manifestation of lawlessness. (Ephesians 1:21)

- Necessary In This Critical Junction of History Intentional Unification of the Body of Christ (Revelation 5:9)

- Together, we be about our Fathers Business spreading the Good News of Gospel – (Matthew 28:18)

- No longer failing to advance God's Kingdom and Principles; being that visible, intentional, positive influence for good in our nation and in our world. Amen!!

Father, in Yeshua The Messiah's Name, we thank you this morning for the privilege to agree with you.

You have spoken in our recent election of President-Elect Donald Trump.

We agree with what you have allowed and we pray for Divine guidance for Mr. Trump. We pray for your Light to flood his spirit and our spirit. We pray for unity in the agreement of the church. In Yeshua's Name. Amen.

Themes: spirit of the anti-Christ, i.e. lawlessness and other spirits of deception, etc. in the world. These are opposed to the Holy Spirit, the spirit of conviction, love and salvation, and the restraint against the forces of evil in this world. The election has extended to God's family a season of freedom and liberty so that we might continue to live peaceably and share the gospel. We need to pray with focus and intensity for all our leaders, submit to all authority, and walk in an opposite spirit, battling powers and principalities with the spirit of love, compassion, forgiveness, long suffering, etc. We need to come together in Divine unity as the family of God, demonstrating and displaying His love so that the world might believe that we are His. Let them see our good works and glorify our Father in heaven. Let us stay focused on Yeshua and His soon coming kingdom, and not be distracted with the things of this world, for His kingdom is not of this world.
