

Capital Region National Day of Prayer

FROM MY HEART TO YOURS

Greetings in Jesus' victorious name!

We are thankful that our congressional leaders have called the Nation to a day of prayer. In answer to that call, we assemble on the West Lawn of the U.S. Capitol Building to publicly present ourselves as a "Corporate Body" before the Lord. Assembling in "His" name that we may experience the power of "His" presence flowing through inter-denominational, multi-cultural and trans-generational unity.

We are in a new season and God is pouring out new wine. There is an increased anointing and it is in the "cluster." We are expecting the power of His presence to flow through the corporate assembly touching the heart of God. We believe God will take note of our repentant hearts and extend "mercy" to our land that "His" glory will flow to the Nations of the world.

*Dr. Corinthia Boone
Chairman of the Capital Region NDP*

Make plans that we may stand together as "one" corporate body on the N.D.P. Endeavouring to keep the unity of the Spirit in the bond of peace (Ephesians 4:3). Come with a spirit of prayer - singleness of heart - holding the breach with repentant, desperate prayer.

We are expecting an outpouring of worship and prayer here in the Nation Capital that will spread North, South, East and West, connecting with other streams of prayer that will become a mighty conduit of God's power on earth. Your attendance and prayers will add to the dynamics of the Capital Region N.D.P. ministry.

Thank you for your participation!

The International Christian Host Coalition (ICHC) is a non-profit association of multicultural and interdenominational pastors and other Christian leaders incorporated in Washington, DC, since 1983. Our focus is on prayer and community transformation in the U.S. Capital region especially through under girding the churches and pertinent outreach services.
